

## EPG Valorisation Seminar

8 November 2012, Munich

**The general aims of the event** are to familiarise participants with the Grid in its current pilot form and its potential purposes, to share information about the aims and phases of the EPG project, to present the preliminary results of the field testing, and to consult participants through discussion on specific uses of the Grid in wider contexts and their suggestions for further refinement.

**09.00**

**Welcome** from the Goethe-Institut and from the EPG project coordinators and partners.

**09.20**

**In-service language teachers:** reasons for defining and assessing their competences.

**09.45**

What is the **European Profiling Grid**? What does it contain? What is it for?

**10.30**

Coffee break

**11.00**

What are the **aims** of the EPG **project**?

**11.30**

Group discussion  
Would such a Grid be useful **in your context**?

**12.30**
